

Miscellaneous errors and omissions

Markel US

When mistakes happen, it's important to have the right kind of insurance. Errors and omissions insurance is designed to help protect professionals who are providing service to a third party. Our customizable insurance policies can help protect the provider from covered claims arising from errors or mistakes made performing those professional services.

What sets us apart

- For more than 40 years, we've delivered E&O coverage solutions shaped by the needs of professionals across hundreds of industries.
- Our underwriters take the time to understand your business and the professional risks you navigate.
- Our coverage offers a one-stop solution, with the flexibility to extend to technology errors, media liability, cyber risks, and general liability exposures.
