

# Risk management and loss prevention services for law firms

Attorneys Risk Management is a practice group of Barron & Newburger, P.C.

## New risk management services

As part of your policy, each insured lawyer may be eligible to receive up to four (4) hours of confidential advice from experienced risk management counsel, and up to five (5) hours of ethics CLEs through Attorneys Risk Management (“ARM”). To provide responsive, high quality risk management resources, Markel has engaged ARM. ARM boasts rapid response, high quality advice, current forms and materials, informative ethics CLEs and consistent loss-prevention publications to help your practice address potential risks. For more information and to take advantage of this benefit of your policy, visit [attorneysriskmanagement.com](https://attorneysriskmanagement.com).

## What we do

- ✓ **Help when you need it**
  - Consult in real time with senior risk management attorneys to address difficult ethics and liability issues, including withdrawal, error communication, conflicts, fee disputes and more.
- ✓ **Practice tools and templates**
  - Carefully curated and growing library of forms, checklists, links, articles and other resources that can help you and your firm address ever-present and ever-increasing risk.
- ✓ **Do-it-yourself**
  - Resources to educate yourself and your firm about basic risk management principles, including multiple forms so that you can assess your own policies and risk profile.
- ✓ **Consultations protected by privilege**
  - Insured lawyers will speak with a licensed attorney who specializes in attorney risk management issues, not with your insurance company. Your conversations are protected by attorney-client privilege. Your insurance company will not know that you’ve sought advice.
- ✓ **Ethics CLEs**
  - Every lawyer needs ethics CLEs, and we deliver five (5) hours for each insured lawyer through our partner TRTCLE. You’ll be taught by the same lawyers that provide loss prevention advice and counselling.
- ✓ **State resources**
  - Links to every state’s Rules of Professional Conduct, ethics opinions and the state bar risk management assistance program, if there is one. Because a second opinion never hurts.

Please note: Unless there is a current countersigned engagement letter on file with Barron & Newburger, P.C., BNPC is not your lawyer.
