

Our Fintech policy covers financial technology companies in the event of a claim and we provide comprehensive breach-response services as standard.

As one of the largest and longest-standing Fintech teams, we provide underwriting expertise, breadth of cover and professional claims service.

We have underwriting presence across Asia Pacific and London, providing customers with global expertise that is delivered locally.

Since launching our Fintech policy in 2016, we have worked closely with clients to create bespoke insurance solutions and we carefully consult with regulatory bodies to understand and accommodate local requirements.

Confidence in claims

We see ourselves as enterprising but measured, delivering insurance solutions that are effective as well as innovative, and listening carefully and working transparently with our business partners and clients. At the heart of everything we do is an unshakeable commitment to fairness and respect. We meet client needs with confidence because we're driven by a long history of industry leadership and expertise.

Whether you are a business, organisation or individual, when the unexpected happens, we are passionate about getting you back on track.
