

In addition to insurance cover, FintechRisk+ includes a 24/7 cyber breach response service, giving insureds access to an established network of specialist providers for effective incident management.

Our latest policy covers fintech companies for a broad range of claims and losses across four insuring clauses, offering flexible, modular protection aligned to local market needs.

As one of the longest-standing fintech insurance teams globally, we bring deep underwriting expertise, broad cover and a professional claims service.

Confidence in claims

We see ourselves as enterprising but measured, delivering insurance solutions that are effective as well as innovative, and listening carefully and working transparently with our business partners and clients. At the heart of everything we do is an unshakeable commitment to fairness and respect. We meet client needs with confidence because we're driven by a long history of industry leadership and expertise.

Whether you are a business, organisation or individual, when the unexpected happens, we are passionate about getting you back on track.

Contact details and information about our claims service can be found here:
