

Insurance Brokers PI

Professional & Financial Risks (PFR) and Cyber

Forming part of our Professional Indemnity (PI) suite of products, our Insurance Brokers PI policy is targeted at those working in insurance broking, including personal and commercial lines insurance and reinsurance brokers, and those working in Insurtech. We also work with a number of MGAs and insurance agents.

All Market PI policy wordings are carefully drafted to meet the specific needs of different professions, and our flexible and innovative approach ensures that we can provide coverage for a range of unusual risks.

Our specialist team are experts in their field and provide an all-round service, enabling bespoke policies where necessary to fulfil the needs of our clients and partners. Our in-house claims team ensure that this service continues once each policy is bound, with a focus on swift response and payment times.

Confidence in claims

We see ourselves as enterprising but measured, delivering insurance solutions that are effective as well as innovative, and listening carefully and working transparently with our business partners and clients. At the heart of everything we do is an unshakeable commitment to fairness and respect. We meet client needs with confidence because we're driven by a long history of industry leadership and expertise.

Whether you are a business, organisation or individual, when the unexpected happens, we are passionate about getting you back on track.
