

**Our new policy covers insurtech companies for a broad range of claims or losses across four insuring clauses. Cover also includes a comprehensive 24/7 breach response service as standard.**

In addition to insurance, we are able to offer our insureds value-add services such as a 24/7 business and legal helpline, R&D tax relief consultancy, cyber risk management tools, along with many other risk management services.

As one of the largest and longest-standing Fintech teams, we provide underwriting expertise, breadth of cover and a professional claims service.

Confidence in claims

We see ourselves as enterprising but measured, delivering insurance solutions that are effective as well as innovative, and listening carefully and working transparently with our business partners and clients. At the heart of everything we do is an unshakeable commitment to fairness and respect. We meet client needs with confidence because we’re driven by a long history of industry leadership and expertise.

Whether you are a business, organisation or individual, when the unexpected happens, we are passionate about getting you back on track.
