

General Liability

Casualty
– Specialty

Australia

Our General Liability policy provides comprehensive worldwide coverage across a broad range of risks for trades and occupations, leveraging our extensive global network. This includes retail, manufacturing, transportation and power generation.

Our vastly experienced, market-leading team offers high service levels and commits to delivering swift response times.

We also benefit from local Claims experts on the ground, who form part of the wider award-winning Markel International Claims team.

Confidence in claims

We see ourselves as enterprising but measured, delivering insurance solutions that are effective as well as innovative, and listening carefully and working transparently with our business partners and clients. At the heart of everything we do is an unshakeable commitment to fairness and respect. We meet client needs with confidence because we're driven by a long history of industry leadership and expertise.

Whether you are a business, organisation or individual, when the unexpected happens, we are passionate about getting you back on track.
