

**Markel Play is a packaged insurance offering that combines coverages for sport organizations and those who play. Specialized coverages are combined into one policy targeting organizations providing people the opportunity to participate in sports, fitness and recreation. We offer unique insurance solutions that recognize the special requirements of athletes.**

Markel has a long-standing history in underwriting Sports, Recreation and Fitness insurance, our underwriters have deep understanding of the unique exposures presented within the sector, the challenges they face and how our coverage and value added services can help ensure that safe sport is delivered to communities across Canada and puts your clients in the best place to operate without disruption.

Markel Canada's claims team is there for you every step of the way, ensuring that you receive the support and compensation you deserve when you need it most. We are creative in the way we handle and pay claims and draw on global excellence from our award-winning claims teams in the UK and US; you are being supported by a global network of experts. It is our promise to be well-equipped to support both general and complex claims promptly and with the utmost professionalism.

## Best practices and risk services

Markel Play have established an exclusive partnership with legal leader in the industry, Sport Law, to provide risk management and governance support to policy holders. Within each Markel Play policy, organizations can access and obtain support in the following areas:

- Access to Sport Law Safe Sport Policy Suite
- Safe Sport policy implementation
- Waiver review and recommendations
- Up to two hours of bespoke risk management support
- 10 spaces in an online training course – Governance Essentials delivered by the Canadian Centre for Ethics in Sport
