Things you must do

You must comply with the claims conditions. These can be found under 'claims conditions that apply to this policy as a whole'.

If **you** fail to comply with these conditions **we** may not pay **your** claim or any payment could be reduced.

Fraudulent claim

If **you** make a fraudulent claim under this policy:

- **we** are not liable to pay the claim, and
- **we** may recover from **you** any sums **we** have paid to **you** in respect of the claim, and
- **we** may write telling **you** that **we** are treating the contract as having been terminated with effect from the fraudulent act.

If **we** do write to **you** telling **you** that **we** are treating this policy as having been terminated:

- **we** will not be liable to **you** in respect of any relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this policy (such as a loss, the making of a claim, or the notification of a potential claim), and
- **we** need not return any of the premium paid.

If this policy provides cover for any person who is not a party to the contract of insurance ('a covered person', for example a **director or officer** or an **insured person**), and a fraudulent claim is made under this policy by or on behalf of a covered person, **we** may exercise the same rights as above as if there was an individual contract of insurance between the covered person and **us**. However, the exercise of any of these rights shall not affect the cover provided under this policy for any other person.

In respect of any fraudulent claim under the directors and officers liability section of cover (if purchased), **we** will not exercise **our** right to treat this policy as having been terminated.

Our reliance on the information provided to us

In deciding to accept this policy and in setting the terms and premium **we** have relied on the information **you** have given **us**. **You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.

How to cancel this policy

You can cancel this insurance (other than the directors and officers section of cover) at any time by writing to **us**.

We can cancel this insurance (other than the directors and officers liability section of cover) by giving **you** 30 days written notice. **We** will only do this for a valid reason, examples of valid reasons are:

- a change in risk occurring which means **we** can no longer provide **you** with insurance cover
- non-cooperation or failure to supply any information or documentation **we** request.

Cooling-off period

This policy has a cooling-off period of 14 days from either:

- the date **you** receive this insurance policy, or
- the start of the period of insurance shown in the policy schedule

whichever is the later.

Refund of premium

If **we** pay (or have agreed to pay) any claim, in whole or in part, then no refund of premium will be allowed.

If **we** haven't paid (or agreed to pay) any claim, in whole or in part, then:

- if **we** cancel this policy **you** will be entitled to a refund of any premium paid, subject to a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis. For example, if **you** have been covered for 6 months and the period of insurance shown in the policy schedule is for 12 months, the deduction for the time **you** have been covered will be half the annual premium.
- if **you** cancel this policy within the cooling-off period **we** will return to **you** all of the premium paid without any deduction.
- if **you** cancel this policy outside the cooling-off period **you** will be entitled to a refund of any premium paid, subject to a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis.

If the premium is paid by instalments the way **we** calculate the return premium may differ, please refer to general condition 2 (premium payment).

If the legal case was settled and the terms of the settlement do not specify the split between damages and **costs and expenses** then a fair and reasonable proportion of that settlement will be treated as **costs and expenses** and paid to **us**.

If any money is recovered from the other party then that money will be treated as **costs and expenses** and repaid to **us** first until all **costs and expenses** have been repaid to **us**.

A copy of all invoices for **costs and expenses you** receive from **your representative** should be forwarded to **us** within 30 days of the date the invoice was issued.
