Private horse owner liability insurance application

The Markel private horse owner liability policy provides personal liability, both on and off premises (coverage for third party bodily injury and/or property damage), only done by an equine which is scheduled. Only equines declared on this application will be covered, unless otherwise endorsed. Applicant must be at least 18 years of age. This policy is designed for up to 10 equines. For 11 or more equines, a commercial equine liability policy is recommended as it will be more cost effective, gives the applicant broader coverage, and scheduling each equine is not required. Coverage is not bound until Markel approves the applicant's completed application and premium payment is received. Markel's receipt of premium does not automatically bind coverage until the completed application is approved. In the event Markel does not approve the application, the applicant's premium payment will be returned. Sample policy wording can be provided upon request.
